PROFILE

I'm a versatile Full Stack Developer with a strong eye for design and a passion for building clean, user-friendly digital experiences. With experience across web development, UI/UX design, and data visualization, I enjoy turning complex ideas into practical solutions. I work confidently with tools like Figma, Canva, Power BI, and Tableau to support both development and design needs. My focus is always on creating intuitive, efficient, and reliable products that truly serve the user.
